

NDG's Avocado Waste Exchange Program

How-to (It's easy!):

- The skins and pits of 20 avocados = \$15 NDG store credit
- Skins and pits should be reasonably clean, with as little avocado flesh remaining as possible. Please remove stickers from the skins.
- Place in a zip-top freezer bag and store in the refrigerator or freezer (either is fine!). Label your freezer bag(s) with your name and email address.
- After you've collected 20 skins and pits, drop them off or ship them. (See details below.)
- Wait for your \$15 store credit to show up in your email inbox!

Drop-off or Shipment:

- If local in the Twin Cities, email hello@naturallydyedgoods.com to arrange drop-off/pick-up location.
- If not local, or if preferred, you can ship the materials to:

Naturally Dyed Goods
% Mykala Micek
3027 Juniper Lane
Suite A
Woodbury, MN 55125

*If you choose to ship your avocado materials, we will also include a free shipping code along with your \$15 NDG store credit to offset these costs.

Any further questions, please email us.

Thank you for helping us turn trash into treasure. We are very grateful!
